

You are invited to personally attend the auction and participate by bidding on the animal that a 4-H youth is presenting in the sale ring. If you are unable to attend in person, you may place an order with the Sale Committee or Auctioneers to purchase an animal in your name. You can participate in the Add-On Program, which is additional money given to the youth without going through the bidding process. This is a great opportunity to advertise your business without purchasing an entire animal. Just tell us who you want to add money to and it will help the 4-H'er with their expenses. To do this, the 4-H'er must have an animal in the sale. If you wish, your Add-On may be anonymous. Please visit the Add-On table at the sale to participate.

LET'S HEAR BIDS FROM INDIVIDUALS WHO WANT TO:

Join other community leaders and 4-H supporters at this year's Adams County Fair Junior Livestock Sale! It only comes around once a year. Adams County 4-H members work hard all year long to raise and sell their market animal. These young people have spent several hours every day caring for their projects. They have also spent a substantial amount of money on purchasing and feeding their animal. Your generosity and investment in their future is their reward. The education and experience they receive is priceless.

COME AND BID

- Attend the Buyer BBQ - Saturday, August 4, 2012, from 1:30 p.m. to 3:30 p.m.
- Register for your buyer number when you arrive.
- Prospective buyers will receive a catalog showing the sale order, animal weights, and owners.
- Whether you purchase an animal or not, your bidding helps the 4-H'ers.
- After your purchase you must advise the ring man of custom processing or buy back.
- For custom processing you pay the total bid price and identify which processing plant.
- For buy-back you pay the difference from the bid minus the market price of the animal.
- With a buy-back you do not receive the animal.
- All purchasing buyers receive a complimentary photo of the purchased animal with the exhibitor.
- All accounts must be paid at the time of the sale, with personal check, cash, credit cards and/or certified funds.
- Persons acting as agents for absentee buyers must file limited power of attorney from the buyer, stating the agent is acting on their behalf and is responsible.
- Checks should be made out to ADCCO Jr. Livestock Sale Committee.
