

**JOANN WELLER
ADAMS COUNTY CORRIEDALE SHEEP BREEDER**

JoAnn Weller was a great supporter of Adams County 4-H and raised registered Corriedales. She participated in the open breeding classes at all Adams County shows and worked with Adams County 4-H members on their sheep projects

JoAnn died of cancer in 1992. Her flock of Corriedales was given to John Wellman from Craig, Colorado. John wanted one of JoAnn's Corriedale ewe lambs to be given to an Adams County 4-H member each year to help establish them in raising Corriedale breeding sheep. This will be done in remembrance of JoAnn and her love for Corriedale sheep.

**ROCKY MOUNTAIN CORRIEDALES
JEANNIE BERZINSKAS AND SHERI HOLE**

As long-time participants and supporters of 4-H, Jeannie and Sheri firmly believe the 4-H program to be a quality character building activity. They will be offering the enriching experience of raising a Corriedale ewe by supplying a registered ewe/lamb for a 4-H project.
