Private and Commercial Pesticide Applicator Training Workshop by Adams County Extension Staff & the CSU Extension Pesticide Safety Education Specialist

Friday, February 26, 2016

Cost: $40 (cash or check) for 1 or all 7 credits.

Adams County Regional Park (Fairgrounds) in the Meeting Room located in the west side of the Extension and Parks Office Building, 9755 Henderson Road, Brighton, CO

Time: 8:00 am for Registration with program starting promptly at 9:00 am sharp!

Core Categories that will be offered in the Morning:

9:00 am to 1:00 pm.

Laws and Regulations (two credits), Pesticides and Their Families (one credit), Environmental Protection (one credit), Use of Pesticides (one credit) Applicator Safety (one credit), Public Safety (one credit).

Private pesticide licenses are valid for a 3-year period. During this 3 year period, applicators are required to earn 7 credits to renew their licenses without having to retest. This session meets the 7 credit requirement for private applicators and 7 CORE credits for the commercial pesticide licenses as mandated by the Colorado Department of Agriculture.

Contact Thaddeus Gourd or Teresa McClure, CSU Extension for Adams County at 303-637-8100 to RSVP as space could be limited, or take a chance and sign up at the door. The cost of the entire program is a flat rate of $40 (cash or check) whether you need one or all 7 credits. This program allows you to get continuing education credits for either the Colorado Private Pesticide and/or Colorado Commercial Pesticide Applicator Licenses.

Extension programs are available to all without discrimination. If you have a disability for which you seek an accommodation, please notify Thaddeus Gourd by January 22, 2016. Colorado State University Extension, U.S. Department of Agriculture and Colorado counties cooperating.
