IAFE Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to all exhibitors who compete at the Larimer County Fair. All leaders working with 4-H exhibitors are under an affirmative responsibility to do more than

avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Exhibitors who violate the code of ethics will forfeit premiums and awards and shall be prohibited from future exhibition in accordance with the animal the rules adopted by the Larimer County Fair Board.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

a. All exhibitors must present, upon request of Fair and Livestock Show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

b. 4-H exhibitors are expected to care for and groom their animals while at the Fair.

c. Animals shall be presented to the Fair where they will enter the food chain free of violative drug residues. The act of entering an animal in the County Fair is the giving of consent by the 4-H exhibitor for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

d. At any time after an animal arrives at the Fair, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

e. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hooves or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

f. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

g. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with

courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

h. No 4-H exhibitor shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action. The application of this code of ethics provides for absolute responsibility for an animal's condition by the 4-H exhibitor whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

i. The act of entering an animal is the giving of consent by the 4-H exhibitor to have disciplinary action taken by the Fair Board without recourse against the Fair Board. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Fair Board may be published with the name of the violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

j. The act of entering an animal in the Larimer County Fair is the giving of verification by the 4-H exhibitor that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

2. Inhumane Treatment of Animals. Abuse of animal(s) in any form will not be allowed. No electric prods or muzzles will be allowed to be used on any animal at any time. Any violation of this rule will result in immediate disqualification with no recourse.

3. USDA Wholesome Meat Act and Quality Assurance Program – The Larimer County Fair endorses and supports the USDA Wholesome Meat Act and insists exhibitors be in compliance with all Quality Assurance Programs. Exhibitors of all meat animals (beef, sheep, swine, goats, catch-it program animals, poultry and rabbits) must certify their compliance with manufacturer's pre-market withdrawal periods specified for any and all medications, drugs, pesticides, or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited. Members must submit the Certification Statement of Disclosure (purple form) at check in. Failure to produce this document will make the member ineligible to show at the Larimer County Fair and participate in the Junior Livestock Sale. The Larimer County Fair management reserves the right to screen or test any market animal for drug residues of any nature and take any action deemed appropriate if testing results show any positive residues above naturally occurring levels.

4. Ownership – All animals must be owned by the exhibitor on or before May 31, 2008, except market beef which must be owned by March 8; market lambs and market goats which must be owned by May 1 and market swine by May 12. All registered breeding animals which are shown in the 4-H Division must be registered in the Junior exhibitor's name. Upon request, the exhibitor must show certificate verifying said animals or animals are duly registered in his or her name with the breed association in question. The rules of the breed association shall determine the ownership of the animal. Animals may be registered in the name of one or more junior exhibitors but cannot be jointly owned with an adult. If jointly owned, only one owner may exhibit the animal in this Fair. In cases where registration papers are in transit, all prize money, trophies, or special awards won by the animal in question shall be withheld until the owner can

furnish satisfactory proof that said registration papers are in due process of being recorded and mailed. Grade or non-registered animals must be accompanied by a bill of sale, affidavit or other written proof of ownership satisfactory to the superintendent. Failure to produce the same or the insufficiency thereof will be grounds upon which to cancel the entry. (See special rules in Horse Dept. and Breeding Beef Dept.) Proof of ownership must be presented upon request to the superintendent in each department by the exhibitors before stalling their livestock. Failure to present proof to superintendents upon request may be grounds to cancel an entry. The act of entering an animal in the County Fair is the giving of consent by the 4-H exhibitor for show management to obtain retinal images on any animal, at any time, and for any reason during Fair and Fair management may take any action deemed appropriate based on results of the retinal images.

5. Showing – All livestock must be on grounds and entered at the time designated to be eligible to show. All livestock 4-H members **are required to present to the Superintendents of each species their up-to-date record book** at the time their project is entered. Books are available by going to the following website: larimer.org/ext and clicking on the 4-H youth button, then the e-record button. If records are not up-to-date, the project will not be allowed to be shown at the 2008 Fair.

- a. **Livestock Must Be Shown by the 4-H Exhibitor Personally;** however, Superintendents may allow another Larimer County 4-H exhibitor to substitute in showing in case of timing conflict in two different departments, in case of illness of exhibitor, or other emergency or situation.
- b. An exhibitor may show only two exhibits per class in the breeding departments.
- c. Group class animals must be shown individually.
- d. The Superintendent and/or Judge in each department reserves the right to group the classes for the sake of competition.
- e. All 4-H livestock exhibitors will be assigned an exhibitor's number which will be worn by the exhibitor while showing.
- f. A substitution may be made for an animal entered on the Fair Entry Blank where the entered animal is sick or dies as long as the substitution fits the division and class as pre-entered and meets ownership requirements. **Exception—No substitutions allowed in any Market classes.** A veterinarian certificate must accompany the request. Substitutions must have approval of Head Superintendent of the department.
- g. No parents or leaders are allowed in the show ring unless they are ring stewards selected by the coordinating Superintendent.

6. Care, Fitting & Grooming of Livestock – Junior Livestock must be cared for by the Junior Exhibitors entered in the show. Junior Exhibitors may receive assistance, providing they are in attendance and participating at all times when assistance is given. Should multiple exhibit and/or multiple specie conflicts occur, prohibiting the Junior Exhibitor from being present for a period of time, it is the responsibility of the Junior Exhibitor to notify the 4-H Extension Agent or the Superintendent of the conflict, prior to the occurrence.

Exhibitor Statement: “The 4-H Agent and Superintendents ask for your cooperation in minimizing the use of adult assistance in preparing animals for show at the fair. We understand the younger exhibitors will probably need some assistance. Helping an exhibitor in such a way that he/she is learning the techniques of properly

preparing an exhibit is an important part of the total project experience. When an adult lends this assistance to the process, then it becomes a contest among adults, and we have lost the teaching and learning aspect of junior exhibits. Since this is a Junior Show, the goal of the 4-H Agent and Superintendents is to direct the Fair in such a way that it is a positive learning experience for our young exhibitors.” Larimer County requires that only 4-H members enrolled in the Larimer County 4-H program can help each other. In addition, 4-H leaders and immediate family, including parents, step-parents, brothers, sisters (or half-brothers or half-sisters) and grandparents, may assist. Anyone who is the legal guardian of the 4-H member may assist youth with fitting, caring for, and/or handling junior livestock that is deemed necessary by the 4-H Agent and Superintendent. The 4-H Agent and Superintendent have the responsibility to determine that said help and/or assistance is educational/demonstrational and youth is present if and when the adult is assisting with the livestock exhibit. The 4-H Agent and Superintendent have the right to disqualify a Junior Exhibitor for infraction and abuse of this rule. Any exception/modification to this rule must be approved by the Superintendent and 4-H Extension Agent ahead of time.

7. Premises Identification (ID) – Due to recent new requirements by some packer/buyers of County Fair project animals, all Market Beef, Sheep, Swine, Goat, Rabbit and Poultry youth are required to have a valid Premises ID prior to the Fair Entry date, in order to show at Fair. This does NOT apply to breeding animals. Market Rabbits and Poultry refer to all meat pens/exhibits. There is a place on this year's Fair 4-H Entry Form to record your Premises ID number.

Premises ID is one component of the National Animal Identification System (NAIS). For NAIS's purposes, a premises is defined as a location or site where livestock and poultry are born, handled, housed, managed, marketed, processed, or exhibited. Premises ID is critical to rapid detection and evaluation of the scope of animal disease outbreaks and in improving emergency response efficiency. A Premises ID is not the same as a Scrapie ID (there is no ear tag associated with Premises ID). A Premises ID is always seven digits made up of both numbers and letters. If your 4-H project animal is housed/boarded somewhere other than your property, the Premises ID would need to be obtained from/through the landowner where your animals are housed. It is simple and free to obtain a Premises ID. You can register online at www.coanimalid.org or call 1-877-842-0102.

8. Carcass Contests (Market Beef, Market Lamb, Market Swine and Market Goat) – A carcass contest will be held for Market Beef, Swine, Sheep and Goats, providing there is access to packing plants willing to allow carcass data to be collected or ability to ultrasound live livestock.

Plans are to collect actual carcass data on Market Beef, and use ultrasound on Market Lamb, Swine and Goats, but are subject to availability and change.

All Market Lambs, Swine and Goats, regardless of nomination for the Jr. Livestock Sale, are eligible to compete in the carcass contest. Carcass contest entry for these three species is included on the Livestock Fair Entry Form. If a Market Lamb, Swine, or Goat exhibitor wishes to compete in the carcass contest, the exhibitor must be entered by July 14. Exhibitors may choose to enter up to three (3) animals per specie.

Only those Market Beef that qualify to sell in the Jr. Livestock Sale will be eligible to compete in the carcass contest, since plans are to collect actual carcass data. If an exhibitor's Market beef animal qualifies for the Jr. Livestock Sale and he/she wishes to compete in the carcass contest, the exhibitor must be entered in this contest by Wednesday, August 6 at 10 a.m. in the Livestock Office.

By entering the carcass contest, exhibitors are obligated to make their animal available for carcass data collection or ultrasound (during the check-in/weigh-in time for the respective specie).

This is an **optional** contest, which will cost \$6/animal to enter (in addition to traditional fair entry fees) and must be paid at time of carcass contest entry.

9. Unsportsmanlike Conduct – When a 4-H exhibitor is guilty of unsportsmanlike conduct and/or inhumane treatment of an animal, the Larimer County Fair Executive Board can suspend the privilege of the exhibitor to participate in future Larimer County Fairs for such a period as judged appropriate by the Fair Executive Committee.

10. Champion and Reserve Champion Selection – The first place animal of each class will compete for breed/market division champion. Second place animals are required to be brought into the arena. After the Breed/Market Champion is selected, the second place animal in the class that furnished the Champion competes with the first place animals in the other classes for Reserve Champion.

11. Grand and Reserve Grand Champion Market Beef, Chicken Pens, Ducks, Geese, Goat, Rabbit Pens, Sheep, Swine and Turkeys are required to sell in the Junior Livestock Sale providing all requirements for exhibitors are met, including compliance with the Wholesome Meat Act and Quality Assurance Program. Animals eligible for Grand and Reserve Grand Champion Awards, which do not wish to sell in the Junior Livestock Sale, **must be scratched prior to the call of the Grand and Reserve Grand Champion class.** The Superintendent of the Department must be informed of the decision prior to the fielding of the class so an announcement can be made to the judge, other superintendents, exhibitors, and spectators. Once the animal has entered the show ring, it will remain in competition for Grand and Reserve Grand Champion selection until all judging is complete and the Grand and Reserve Grand Champion has been selected by the Judge. No animal can be scratched after judging has started. Those members who did not comply with the Wholesome Meat Act and/or did not attend the required Meat Quality Assurance Program meetings are not eligible for Grand or Reserve Grand Champion selection or Junior Livestock Sale participation.

12. Bedding – All bedding must be furnished by Exhibitor, including Poultry and Rabbit Exhibitors. Straw and shavings will be available and sold on grounds. Turf materials must have wood chips underneath them. No sand can be used.

13. Equipment – All feed and feeding equipment must be furnished by the Exhibitors. Water hoses will not be furnished at the wash racks. Exhibitors are asked to bring their own hoses. Stalls and alleyways must be cleaned by 9 a.m. each morning. No generators allowed due to fire regulations. Exhibitors may have only one fan for the first two beef animals and one additional fan for three or more animals.

14. Animal Care – Exhibitors must feed, water and bed, and otherwise care for the entries during the Fair. Exhibitors are expected to help keep exhibit areas, grooming areas, and barn perimeters clean and attractive. All animals and other exhibits should be kept clean and in a presentable condition at all times. The Head Superintendent for each Livestock Department and the 4-H Livestock Extension Agent reserve the right to feed and water neglected animals. Any animal found in neglect of feed, water, and/or care will be dismissed from the grounds and the exhibitor will be scratched in all entered classes with all premiums and awards forfeited.

15. Manure Removal – A designated location will be provided for disposing of manure. Manure must be taken to this area via wheelbarrow or other conveyance. Piling of manure at ends of the

barn or in immediate vicinity of building will be prohibited. Use dumpsters that are provided. All exhibitors must clean their stall(s) after exhibit is released. Pens must be left clean.

16. Control of Livestock – Any livestock deemed uncontrollable, as determined by the Superintendents in charge, will be excused from the show ring or the fairgrounds, depending upon the severity of the situation.

17. Tying of Livestock – All cattle (Beef and Dairy) must be tied with a neck rope in addition to the regular halter. Head Superintendent or their representative will determine if ties are proper. Bulls must be tied with a nose ring and handled with a lead ring when being shown (see Department Rules).

18. Housing of Livestock – The Livestock Superintendents will make stall and pen assignments according to prior entries. 4-H clubs will be stalled together at the discretion of the Superintendent in charge. Any change of pen cards by an exhibitor is prohibited unless approved by the Head Superintendent of the department. Any pens not used for housing of livestock will be released to other exhibitors. There will be no tie outs except in the case of emergencies (upon approval of the Superintendent).

19. Veterinary Needs – The Larimer County Fair does not have a practicing veterinarian on the grounds. The exhibitor should contact their own veterinarian should the need arise. There will be a list of available veterinarians per species in the Livestock Office and with each species Head Superintendent. Any veterinary fees are the responsibility of the exhibitor. Important– The Superintendent in charge has the right to call for the services of a veterinarian in the treatment of a sick animal if the exhibitor is not available. Note – A Superintendent or veterinarian must be in attendance when any drug or medication is administered to an animal(s) and a written report filed with the Fair Entry Office and placed in the official entry book.

20. Market Animals Going to State Fair may be released one hour after their show is completed. Release is made through the Head Superintendent of that department only.

21. 4-H Members, Leaders and Parents are not to bring livestock scales to the Fairgrounds for the purpose of weighing market animals. A scale will be provided for that purpose. Failure to observe this rule will result in animals being disqualified from showing and selling in the Jr. Livestock Sale.

22. All 4-H Members (excluding Rabbit and Poultry) may bring show equipment and feed to the barns between 4:00 to 6:00 p.m. the day before the specified specie check-in. No animals until check-in time. Poultry and Rabbit youth should simply bring their supplies to the barn at time of animal check-in, since the cages will not be set up the evening prior.

–Read Carefully–

It will not be necessary to obtain health certificates on livestock prior to arriving on the Fairgrounds. Animals showing evidence of **contagious** or **infectious** diseases will be released from the Fairgrounds at the discretion of the veterinarians, Head Superintendents and/or the 4-H Livestock

Extension Agent. Animals arriving late from other shows must have a current health certificate. Any animal originating from a herd under quarantine because of an infectious or contagious disease shall be ineligible for admission. 13. Anyone (youth or adult) will be disqualified and excused from the grounds by the Superintendents, Judges and/or Extension personnel for unsportsmanlike conduct or abusive action to a horse or another person. You may also be barred from the following year's Fair—all at the discretion of the show management.

14. **The 2006 Colorado 4-H Horse Show Rule Book (LA 1500I - 2006) will be used as the guideline for all judging.** The Horse Department Superintendent(s) reserve(s) the right to amend or change rules, classes, patterns, and times of scheduled classes at any time prior to the judging, and due notice will be given to exhibitors of any such change. Due to the size of the classes, the results or Judge's comments on classes will not be posted.

15. The Judges and/or Superintendents may combine or divide the classes at their discretion.

16. All contestants will be required to wear their exhibitor's number on their back, saddle pad or blanket, visible to the Judge, while the animal is being shown, and to have their exhibitor number with them during the Written Test.

17. Any horse deemed to be uncontrollable, unsound, or distressed will be excused from competition by Judges or Superintendents.

18. Any horse found in neglect of feed, water, and/or care will be dismissed from the grounds, and the exhibitor will be scratched in all classes entered with all premiums and awards forfeited.

19. Abusive action or words toward a Judge by anyone is strictly prohibited and may disqualify the exhibitor from the Fair as well as bar them from the next year's fair.

20. The Department Head Superintendents have the right to disqualify and/or dismiss an exhibitor for infraction and/or abuse of any rules. A disqualified or dismissed exhibitor may also be subject to loss of awards and premiums and may not be allowed to show at the next year's Fair.

21. All exhibitors will receive a packet of patterns for all classes. These are to be picked up at the Show Office at check-in. Second copies may be purchased for the fee of \$5.00.
Please have your record book and riding levels card with you when you pick up your patterns.

23 **Vehicle gate pass** must be displayed on the dash of your vehicle and will allow you to enter during feed times or to remove your horse from the barn during check-out times. Please fill out all the details on the card. **This is not a parking pass.** Exhibitors will receive these in their registration package.

24. Horse check out. Horses may be taken home on July 29 and July 31 after 4:00 p.m. or the end of that day's classes. **All stalls must be stripped clean of manure and shavings.** A special arrangement for other dismissal of horses is to be made with the Larimer County 4-H Horse Program Coordinator. You must have your vehicle gate pass to remove your horse.

25. First and Second place exhibitors in Western and English Showmanship must agree to show in Master Livestock Showmanship Round Robin competition before the Overall Horse Showmanship class is fielded. Exhibitors who do not wish to meet this requirement must scratch prior to the call of the class. The Superintendent of the Department must be informed of the decision prior to the fielding of the class so that an announcement can be made to the Judge, other Superintendents, exhibitors, and spectators.

26. **Classes will be broken out by ages and levels. Please check all schedules closely Levels 3 and 4 will be shown together.**

Junior - Ages 8 to 10 years of age, as of January 1
Walk/Trot, Level 1, Level 2, Level 3

Once a show order is drawn and the exhibitor's number is called, the exhibitor must appear in this order. The exhibitor will be given two minutes in which to appear at the in-gate. Failure to do so will disqualify the exhibitor from that class. The gateman will line the class up in individual order three deep: up, on deck, and in-the-hole. Observe ring courtesy, and check-in with the ring clerk prior to each class to indicate "scratch" or "present" for the class. If you have a conflict with another class, contact Horse Superintendent(s).

Awards

Club Image Award

1. A special banner will be presented at the Awards program to the club who best represents the true spirit of 4-H. This banner is to be hung the following year in the club's barn area at the Fair.
2. The club will be selected by a committee of adults.

3. Safety, cleanliness of stall areas, friendliness to visitors, good sportsmanship, and helpfulness to other 4-H members will be the prime emphasis for this award. The committee realizes parents need to help, but at a minimal level. Preference will be given to those clubs whose members either do things themselves or seek help from another 4-H member, rather than a parent or other adult.

Spirit of 4-H Award

1. A special award will be given in the Horse Department to an individual exhibitor who best represents the true spirit of 4-H.
2. Criteria for selection: Individual's display of safety, friendliness, good sportsmanship and helpfulness to other 4-H members.
3. Selection of the winner will be made by a committee, based on number of votes cast by parents, leaders, spectators and 4-H members. Cast ballots on official ballots. List reason why nominee should receive this special award. It is recommended that you nominate individuals in a 4-H club other than your own club.

Spirit of 4-H Award

If showing more than one horse at the Fair, exhibitor **must** specify on entry blank which horse is being used in each performance class. If showing more than one horse in each division, an exhibitor is ineligible for All Around Awards. However, 4-H members sharing a horse but showing in separate divisions (e.g. Western, Gymkhana, and English) shall be eligible for All Around Awards. No premiums given. Scoring for All Around will be based

on the total points earned in **all** classes. If an exhibitor rides in two Option classes, **both** scores will be included in the total for All Around awards.

Tuesday, July 29, 6:00 p.m. Ranch-Way Indoor Arena
 Class judged by ages not levels.

This is a costume class and music class. It is an individual demonstration of the rider's ability with their horse. Each horse and rider will enter the arena and perform a pattern that they have created to the music of their choice. This is not categorized as a reining or dressage event, but is open to the rider's imagination. This class will combine the elegance and beauty as well as the power and strength of the horse, along with the stirring impact of music.

Musical Freestyle: Complete rules and judging information posted on:

www.larimer.org/ext

All contestants must supply their own CD for music. The music and riding pattern is to be submitted to the show office by noon on July 29.

Please have the CD clearly marked with the correct name and number of music as well as your name and exhibitor number.

The first place winners of each age group will be featured and must be willing to perform in Rhythm Of The Rockies on Friday, August 1 at 7:00 PM. This is a ticketed event and a portion of sales will benefit the Colorado 4-H Horse Project. The performance will be held in the Budweiser Events Center Indoor Arena.
