

DVD Order

The 4-H Performing Arts Committee has arranged for a professional quality DVD of each performance to be made by Mobile Pro Video. **We must have at least 35 orders before the May 16 deadline in order to continue this practice.**

NOTE: Individual videotaping at Thompson Valley High School is VERY RESTRICTED. Due to fire and safety codes, no tripods will be allowed. Standing and videotaping is not allowed in either the seating area or the aisles. No one is allowed to stand in the aisles. These restrictions are set by Thompson Valley High School and the Fire District: we are required to abide by them. Only handheld video recorders used while seated are allowed. **NO FLASH UNITS OR LIGHTS ON CAMERAS OR RECORDERS ARE ALLOWED.**

Separate DVDs are available for the afternoon and evening performances, DVDs are \$25 each. DVD orders will also be taken on the day of the Performing Arts Contest. However, we encourage you to return DVD orders with your registration packet to fill the minimum order before the contest.
