2009 Larimer County 4-H Catch-it Program Rodeo Scramble Information

1. All scrambles will occur between the team roping and barrel racing events (approx. 8:30 p.m.) on the designated night:
 - a. Catch-it-Lamb and Catch-it-Goat – Sunday, August 2
 - b. Catch-it-Calf – Monday, August 3
 - c. Catch-it-Pig – Tuesday, August 4
2. Each 4-H youth applicant and a parent must attend the mandatory meeting (noted in #3 above) where they will give you more specific instructions about the evening of the scramble. While we encourage the 4-H youth and their families to purchase tickets and attend the rodeo, please realize that you will need to step away from the rodeo and meet downstairs in the Budweiser Event Center with your child at approximately 8:00 p.m. You can then return to your seat to watch your child in the scramble.
3. As a parent/guardian, if you would like to serve in a volunteer role on the arena floor during the scramble, we can certainly use your help. However, your role would be to help others form a human barrier and to keep the scramble animals from going past you. The goal is to contain all animals in one end of the arena so the 4-H kids do not have to run so far. All volunteers on the arena floor must agree to the following:

“All volunteers must be able-bodied, informed volunteers who understand that their job is to form a human barrier. Volunteers must be able to quickly enter and exit the arena following clear instructions that will be given ahead of time. The following is not permitted on the arena floor: parents having to care for/hold the hand of small children, spectators, and people taking pictures”

If you are willing to serve in this capacity, please inform the Catch-it program leaders at the mandatory meeting.
4. All Catch-it participants will enter the arena on the roping chute end and exit following the trailer out the bucking chute end of the arena.
5. Contestants will catch their animals and bring them to the trailer to load. When the scramble is over, all kids will quickly exit following the trailer out of the bucking chute end of the arena. All volunteers will exit on foot out of the bucking chute end of the arena as quickly as possible. Once outside, contestants who have rodeo tickets must re-enter through the main entrance to the BEC. A parent/guardian should plan to meet their youth outside the BEC after the scramble is over (west side of the BEC).
