

Gardeners for Hire ¹

November 28, 2011

Compiled by Curtis Swift, Ph.D., Colorado State University Extension

The individuals on this list are registered as active members of the Tri River Area Colorado Master Gardener program. When hired they are independent contractors and not serving as Colorado State University Master Gardeners. This list is in alphabetical order and does not denote preference of one person over another.

Mesa County Gardeners for Hire

Peggy Shaw

peggy@peggyshaw.com

970-640-3000

Work accepted in all parts of the Grand Valley

Design: I can design residential landscape for most budgets

Installation: I can install or supervise the installation of all plant materials, water features and hardscape materials. I work with my own subcontractors who are qualified, trustworthy individuals/companies and I will supervise their work to the client's satisfaction.

I also do personal residential gardening to include any needs an individual homeowner might have such as:

Fall and spring cleanup

Hole digging and preparation of planting areas

Preparation of vegetable gardens

Seasonal planting of container gardens

Preparation and decoration of patio/garden areas for special occasions

Small scale pest control. I can arrange for large scale pest control.

Maintenance of garden areas

Pruning of perennials. I can arrange for large scale pruning projects.

I can arrange for lawn and irrigation system maintenance.

I do soil testing and amendment.

I do not do commercial work.

David Dessert
