**Our service approach helps our clients make appropriate investment decisions now, and into the future through all life stages. At AIG VALIC, we are committed to each and every one of our clients at Colorado State University.**

We offer a comprehensive analysis delivered through a five-point consultation:

***Discovery*** — Begin with a comprehensive study of your current situation, your values and your goals.

***Education*** — Discuss sound financial planning concepts such as diversification, asset allocation, investment strategies, tax planning and estate preservation.

***Planning*** — Create a personal plan with the assistance of your financial advisor that becomes your financial blueprint.

***Implementation*** — Develop strategies using your plan to meet your current needs and future goals.

***Review*** — Keep your priorities on track with an annual review from your financial advisor.
