

MPH in Animals, People & the Environment - CSU

*MPH students are allowed to take classes at any of the three campuses as long as they take at least 24 credits at their "home" campus.

*The following sample schedule may be altered to fit your needs. The number of credits in a given semester, the order in which the required courses are taken, and the actual courses that are taken to meet the focus area requirements can be changed depending on the flexibility of the requirements set by each focus area.
