Welcome Back Psychology Students!!

We hope you had a great summer and that you are excited about starting a new semester. As a Psychology major, you will be receiving this newsletter throughout the school year to keep you informed and aware of important dates and opportunities you may want to take advantage of. We look forward to working with you one-on-one in the weeks ahead so be sure to schedule an advising appointment soon.

To learn more about faculty, staff, students and alumni from the Department of Psychology, be sure to check out the *department* newsletter at:

<http://www.colostate.edu/Depts/Psychology/newsletter.shtml>.

Facebook and Twitter are HERE! For essential information about your degree requirements please follow us on Twitter or like us on Facebook! Find us by searching "Psychology Advising at Colorado State University". Because Facebook and Twitter will be in use, we will keep the newsletter short; and it will not go out every month.
