TOTAL		28-29	

PROGRAM TOTAL = 120 credits

All-University Core Curriculum (AUCC)

Category 4A, Using Competencies

Requests by the Department of Anthropology to add ANTH 452, Archaeology of Mesoamerica and ANTH 453, Human Impacts of Ancient Environments, to the list of eligible courses in category 4A, Using Competencies, were approved. The effective date for this change is Spring Semester 2008.

Request to Offer FSHN 501 in Nontraditional Format Only

A request by the Department of Food Science and Human Nutrition to offer FSHN 501, Research Methods in Dietetics, as an online course only was approved effective Summer Session 2008.

UCC Course Review

Cathy Cranston distributed handouts about using the Library's Digital Repository as the repository for the online master course file listing that would be used to access and communicate course objectives and content. The system could be formatted to permit campus visibility only or be expanded to permit viewing by non campus audiences of master course file content.

The meeting adjourned at 5:00 p.m.
