

Title: Research Associate - Open Pool

Employment Type: [Administrative Professional](#)

College: Liberal Arts

Department: Journalism & Technical Communication

Salary: Commensurate with background and experience.

Requirements: The Center for Research on Communication and Technology in the Department of Journalism and Technical Communication hires part-time Special Research Associates from an applicant pool. Special Research Associates may be hired to administer projects, review literature, identify funding sources, enter data, recruit test participants, keep research records; conduct surveys, focus groups and nominal group technique sessions; analyze data; write, edit and produce proposals, reports, articles, publications, online documentation and presentations; supervise graduate research assistants and undergraduate assistants. Requirements: All course work completed for a MA/MS or Ph.D. in communication or closely related field.

Application Deadline: 02-14-2010

To Apply: To add your name to the applicant pool, please send a letter of interest, curriculum vita, and name of three references that can speak to your professional media and research experience and expertise to Dr. Donald Zimmerman, Department of Journalism and Technical Communication, C225 Clark, Colorado State University, Ft. Collins, CO 80523-1785, 970-491-6310. This pool expires February 14th, 2010. Individuals wishing to be considered beyond this date must reapply. You may reapply by email to Christine.Bartholomew@colostate.edu. Send any pertinent updated materials at the time of reapplication. If you have questions, please contact Chris Bartholomew at (970) 491-3003 or Christine.Bartholomew@colostate.edu.
