

The CSU Student Association for Fire Ecology

Presents:

CSU Wildland Fire Week

April 25th-29th

Tuesday: Dr. Jerry Franklin, U. of Washington.
Seminar: 4:10-5pm, Clark Building A201. Mixer follows.

"Postfire Ecosystem Responses and the Potential Role of Human Activities."

Thursday: Movie Night "Fire Wars"

7-9pm at Ramskellar in Lory Student Center

- Free Pizza from SAFE & SFA!

Fire Wars puts the viewer in the flames as NOVA accompanies a wildland firefighting crew while they battle one of the most severe wildfire seasons ever in 2000.

Friday: Dr. Tom Swetnam, U. of Arizona.

Seminar: 3:10-4pm, Clark Building A201. Mixer follows.

"Megafires and Regional Tree Death in the West: Harbingers of Climate Change?"

Saturday: Paul Gleason Memorial Hike

The SFA will lead a hike to a historic prescribed fire near Fort Collins and share stories about Paul Gleason, who taught Fire Science here at CSU. Check the website for details.
