Crop Year 1999

Agronomic and Vegetable Crops

Forage

Equipment Traffic During Alfalfa Harvest Can Affect Yield and Quality	3
Native Pollinators of Alfalfa Grown for Seed in Western Colorado	8
Western Colorado Alfalfa Variety Performance And Evaluation of Advanced Alfalfa Breeding Lines at Fruita 1999	10
Chemical control of alfalfa stem nematode and alfalfa weevil at Fruita, Colorado 1999	14
Pasture Grass, Forage Legume, and Mixed Species Evaluation at Meeker, Colorado 1999	16
Pasture Grass, Forage Legume, And Mixed Species Evaluation at Hotchkiss, Colorado 1999	20
Pasture Grass Species Evaluation at Fruita, Colorado 1999	24
Forage Quality of Pasture Grass Species at Fruita, Colorado	28

Field and Sweet Corn

Chemical Control of High Plains Disease in Sweet Corn	38
Yield Impact and Control of Corn Earworm on Field Corn with Bt Modified Corn Varieties	41
Control of Corn Earworm, Heliiothis Zea, with Spinosad at Rogers Mesa Research Center	45
Control of Corn Earworm, Heliiothis Zea, with Spinosad at Fruita Research Center	46
Nitrogen Management Under No-tillage in a Furrow-irrigated Crop Rotation of Corn And Wheat in Western Colorado	47
Corn Silage Hybrid Performance Tests at Fruita and Olathe, Colorado 1999	53
Corn Grain Hybrid Performance Tests at Fruita and Delta, Colorado 1999	56
Effect of Methyl Bromide and Golden Harvest and Pioneer Corn Hybrids under Two Irrigation Managements on Blunt Ear Syndrome at Fruita, Colorado 1999	60

Small grains

Small Grain Variety Performance Tests at Hayden, Colorado 1999	63
Small Grain Variety Performance Tests at Fruita, Colorado 1999	67
Northwest Colorado Insect Survey-hessian Fly and Cereal Leaf Beetle	71
Chemical Control of Wheat Curl Mite	73
Spring Wheat Planting Date Effects on Russian Wheat Aphid and Grain Yield in Differing Environments	75

Other Field Crops

Agronomic Performance of Kenaf Varieties in The Grand Valley of Western Colorado	79
Double-cropping Pinto Bean After Winter Barley in Western Colorado	83
Evaluation of Pinto Bean Varieties And Dry Bean Uniform Nursery Entries at Fruita, Colorado 1999	87
Sugarbeet Variety Performance Trials in Western Colorado 1999	92
